Food and Drug Administration

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: I live in Maine, There
is no local pharmacy that

makes my medication! This
medication was very hard to
find. Don't make my life
more difficult by taking this
away.

Thank you
